

MARINE TABLET · PRO EDITION

Built for the open sea. Not the living room.

When the weather turns and the screen fogs, consumer tablets quit. NOVA doesn't. Centimeter-grade positioning, all-day endurance and a display you can actually read under a blazing sun — in a body that shrugs off storms, salt and shock.

LAUNCH PRICE · PRE-ORDER

With your pre-order you receive the fast-charging **Super Charger** and the nautical **Ergonomic Handle** completely free. Both included for the first 100 units only.

Super Charger

Ergonomic Handle

Built to outlast anything the sea throws at it.

NOVA isn't a rugged case wrapped around a phone. It's a purpose-built marine instrument — every feature chosen for life on the water.

01 SMOOTH · RELIABLE · FAST High Performance Smooth navigation and apps, even in rough seas. No freezes or slowdowns — ever.	02 IP68 · MIL-STD-810H Rugged & Waterproof Withstands storms, splashes and extreme conditions. Built to outlast anything the sea throws at it.
03 24 H ACTIVE NAVIGATION All-Day Battery Lasts long voyages without recharging — 5x the battery life of a standard tablet.	04 BLUETOOTH · WI-FI · GSM · NMEA Full Marine Connectivity A complete marine connectivity suite. Stay connected to charts, crew and shore at all times.
05 ±1.5-2 CM RTK GNSS Precision GPS Sub-metric positioning anytime at sea — with GPS, Galileo, GLONASS and BeiDou.	06 GLOVE · DARK · RAIN READY 5 Nautical Buttons Five programmable stainless steel buttons — control everything without touching the screen.
07 2× BRIGHTNESS · WET-TOUCH Sunlight-Readable Display Anti-glare coating and Wet-Touch — works perfectly with gloves or wet hands.	08 MARINE EDITION Custom Android OS Tailored for navigation. Pre-loaded with Navionics, Orca, Windy and marine utilities.

NOVA vs. a standard tablet.

Spec for spec, there's no comparison. Here's exactly what sets NOVA apart on the water.

SPECIFICATION	NOVA Marine Tablet PRO	Standard Tablet
